UEBT Standard Setting Work Program 2016

The Ethical BioTrade Standard of UEBT was adopted in 2012. The UEBT standard is periodically revised.

In 2016 UEBT will assess the need to revise the UEBT Ethical BioTrade standard. The following steps are currently foreseen for 2016:

- Q1 2016:
- Assessment of strengths and weaknesses of current version of the Ethical BioTrade Standard, and identification of priority improvement areas.
 - Submission of report to the UEBT Standard and Assurance Committee.
- Q2 2016:
- Recommendation of UEBT Standard and Assurance Committee on revision the UEBT standard
 - Revision of the UEBT Standardization Process (PRO06) by the UEBT Standard and Assurance Committee.
- Q3 2016:
- Elaborate TOR & work-plan for the UEBT standard revision process (if revision if required)
- Q4 2016:
- Final decision by the UEBT Board of Directors on revision process.

Stakeholders that have queries or are interested in providing inputs to the above-mentioned process, please do not hesitate to contact the UEBT Secretariat at the following email address: Comments@ethicalbiotrade.org.
